Possible languages for B100 training :

REGISTRATION :

Form “Demande en obtention d’un permis”

B100 Registration English

The Permission/ License for driving a Motorcycle not exceeding 125ccm (category A1) can be given, if the applicant owns the B license (car) for at least 2 years. The applicant needs to participate in an 7-hour formation (theory and practice). The license will be given by an extension on the B category, named National Code B100. Due to this, this National driving license will NOT allow the owner to drive his motorcycle outside of the luxembourgish territory.

The B100 will NOT give access to the A2 category, for which

theoretical and practical lessons and exams are required !
